

GoodReads Group

Come join us on GoodReads.com to discuss your favorite books with other teens from all over the area.

Create an account and keep track of what you have read as well as what you thought of each book. If you are under 13, you will

need your parents to help you sign up.

There is a link on the Library's catalog. You can also go to GoodReads.com

and search for the group Belton Library Middle School Summer Reading to find us.

We will have a challenge you can accept and complete to earn extra computer time or fine forgiveness.
